

VISA FOR MEDICAL TREATMENT (Schengen Visa)

Dear Applicant,

thank you very much for your interest in visiting the Federal Republic of Germany on a Schengen Visa.

We request that you take advantage of our **Online Appointment Booking System**.
Please visit <http://www.visa-germany.co.za/> or call: **0861 – 00 22 45**.

Please submit your application for a Schengen Visa to the representative of the country which - considering the **main purpose** of your intended stay - is your main destination. **If no such main destination can be ascertained**, please contact the representative of the **country of your first entry** into the Schengen Area. If you reside in South Africa (excluding the Northern, Eastern and Western Cape regions) and your main destination is Germany, you have to submit your visa application to the Embassy of the Federal Republic of Germany in Pretoria. **Please note that your residence permit for South Africa has to be valid at least another four months, if you are not a South African national.**

The German Embassy in Pretoria will also accept applications for Schengen Visas for travels with the main destination being in **Slovenia**.

Applications must be submitted **in person** and **may not be submitted by courier, regular post, fax or e-mail**. Only applicants who can prove to have traveled at least twice to the Schengen States within the past two years, may be exempted from applying in person. A third party may apply on behalf of such applicants.

The visa process is normally finalised within three to four working days upon submission of your complete visa application. In some cases, however, we might need more time due to the necessary involvement of German and/or Schengen authorities. We, therefore, would appreciate, if you could apply for your visa **at least three weeks prior to your intended date of departure**.

The fee for a Schengen Visa is the **equivalent of € 60.00**. The fee has to be paid in cash and in South African Rands upon application. Please refer to our website www.pretoria.diplo.de for the applicable rate or exceptions.

Please note, that we can **only** accept complete applications. In order to ensure that your application can be processed without delay, **please submit the following documents in original:**

If the applicant requires an original to be returned, a copy of said document needs to be submitted as well.

Unfortunately the Embassy can not provide copies.
